

TRACK RECORD In the renewables sector

2023

Mingyang Qingzhou 4 Offshore Wind

Installation and burial of 22.4km 66kV inter-array cable

Fu Yong 6 | Guangdong, China | Dejing

Shandong Energy Bo Zhong A Offshore Wind

Installation and burial of 34.2km 220kV export cable and 29.7km 35kV inter-array cable

Fu Yong 6 | Shandong, China | Haizhiyuan

2022

Huadian Yuhuan #1 Offshore Wind

Installation and burial of 5.5km 66kV inter-array cable

Fu Yong 6 | Zhejiang, China
| Huadian Heavy Industry

2021

SPIC Rudong H7 Offshore Wind

Installation and burial of 17.2km 35kV inter-array cable

Fu Yong 6 | Jiangsu, China | Kaizhiyun

2021

Yuedian Zhanjiang Wailuo Offshore Wind

Installation and burial of 8km 35kV inter-array cable

Fu Yong 6 | Guangdong, China | Hengtong

2021

Yuedian Zhanjiang Xinliao Offshore Wind

Installation and burial of 23km 220kV export cable

Fu Yong 6 | Guangdong, China | Hengtong

2021

Putian Nanri Phase 1 Offshore Wind

Installation and burial of 48km 220kV export cable

VOO | Fujian, China | Shanghai Foundation

2021

Changle A Offshore Wind

Installation and burial of 39.1km 220kV export cable

Fu Yong 6 | Fujian, China | Dejing

2021

Changle C Offshore Wind

Installation and burial of 38.9km 220kV export cable

Fu Yong 6 | Fujian, China | Dejing

2021

Guoneng Dafeng H5 Offshore Wind

Installation and burial of 79.1km 220kV export cable

Fu Yong 6 | Jiangsu, China | Dejing

2021

Luneng Dongtai Offshore Wind O&M

Subsea inspection of two monopile foundations and J-tube condition

Predator ROV | Jiangsu, China | Jingtai

2020

Longyuan Dafeng Offshore Wind

Installation and burial of 19.5km 220kV export cable

VOO | Jiangsu, China | Shanghai Foundation

2019

Datang Binhai Offshore Wind

Installation and burial of 23km 220kV export cable

VOO | Jiangsu, China | Shanghai Foundation

2017

Voith Tidal Current Turbine

Installation of 3.5km 11kV power cable for tidal current turbine system

CS Fu Hai | South Korea | Voith

2010
