

BP Tangguh LNG Expansion

16.5km of inter-platform connectivity and 41.2km export cable installation and burial , including HDD cable landing

Bold Maverick | Indonesia | Saipem

Huangyan O&G Field

52.4km of 35kV inter-platform connectivity including post-lay burial operations

Bold Maverick | China | COOEC

Panyu and Liwan O&G Field

Pipeline trenching and free span correction through ROV supported grouting

Bold Maverick | China | COOEC

Naga-Pelikan

50km of inter-platform connectivity including post-lay burial operations

Bold Maverick | Indonesia | Swiber

Khafji Joint Operations

Over 30km of inter-platform connectivity and 40km export cable installation and burial

Bold Maverick | Middle East | COOEC

Cili-Padi O&G Field

31.76km of inter-platform connectivity including post-lay burial operations and mattress protection

CS Fu Hai | Malaysia | IEV Malaysia

Shanghai LNG Pipeline

Post lay trenching of 33km LNG pipeline

Fu Xing | China | Junhao

Retrofit Anode

Chartered as DSV to support diving related works in the O&G field

CS Fu Lai | Persian Gulf | Iranian Offshore Oil Company

Wenchang O&G Field

19.3km of 35kV inter-platform connectivity

Bold Maverick | China | COOEC

Enping O&G Field

46.5km of 35kV inter-platform connectivity

Bold Maverick | China | COOEC

Huangyan O&G Field

Installation of mattress protection

Bold Maverick | China | COOEC

Qatar Barzan

6 segments of inter-platform connectivity

Bold Maverick | Qatar | Subtech

Total Sisi-Nubi

Chartered to support saturation diving operation for offshore platform debris removal

Bold Maverick | Indonesia | Hallin

Wenchang O&G Field

Repair of inter-platform composite cables

CS Fu Hai | China | COOEC

BP Tangguh LNG Field

44km of inter-platform connectivity

CS Fu Hai | Indonesia | Saipem

PTT Gulf of Thailand

Chartered as DSV to support diving related works in the O&G field

CS Fu Lai | Thailand | Hallin

Modec Indonesia

Chartered as DSV to support diving related works in the O&G field

CS Fu Lai | Indonesia | Hallin

Cuel Gulf of Thailand

Chartered as DSV to support diving related works in the O&G field

CS Fu Lai | Thailand | Hallin

Xijiang O&G Field

Chartered as DSV to support riser system removal

CS Fu Lai | China | Hallin

Chunxiao O&G Field

Post lay trenching of 120km pipeline

Fu Xing | China | COOEC

Xijiang O&G Field

Chartered as DSV to support riser system installation

CS Fu Lai | China | Hallin

Langsa FPSO

Chartered as DSV to support FPSO survey and flowline disconnection

CS Fu Lai | Indonesia | Hallin

Dong Fang 1-1 O&G Field

Chartered as DP platform to support pipeline trenching work and the installation of 4km 15kV power cable

CS Fu Lai | China | COOEC
